8. Bostwick's on the Harbor

- **Location:** East Hampton

What pairs well with a stunning sunset? Fresh seafood and a lively atmosphere. In East Hampton Bostwick's is known for their stunning views of the harbor (it's one of the best places to watch the sunset), delicious seafood (you can't go wrong with the wood fried oysters or fish tacos but if you need a break from surf the goat cheese and fig pizza is a must), and great vibes which often include music. They don't take reservations though, so be prepared to wait for a table.
