1. The Guggenheim Museum's newest exhibit is "**Josef Albers in Mexico.**" Go see his photography collages through February.
2. Go watch *A Clockwork Orange* at **Landmark's Sunshine Cinema** at midnight. The Stanley Kubrick film is also playing Saturday at the same time.
3. Social media-loving foodies should go to **Food Loves Tech** at Industry City. The two-day festival has discussion panels and all-you-can-eat zones.

For more events, check in with Time Out throughout the day.
